

LAUNCH EVENT

On the occasion of the launch of Chapter Zero Ukraine & Caucasus, you are invited to a webinar to explore the journey to overcoming unprecedented climate challenge coupled with the war on the European continent. The discussion will include critical issues such as the severe challenges in relation to energy security, negative environmental impacts and challenges for business' sustainability all over Europe and Caucasus.

Chapter Zero Ukraine & Caucasus will bring together Non-Executive Directors and Supervisory Board members from Ukraine, Armenia and Georgia to oversee their business strategies to reach carbon neutrality.
